

Community

Summary

Basic approach

The Daigas Group operates a business that is rooted in and supported by local communities. We believe that our various contributions to local communities will lead to a virtuous cycle, leading to the development of both the Group and society.

The Group recognizes that it is important to proactively disclose information, enhance management transparency, and promote co-creation through constructive dialogue with a wide range of stakeholders for the public's better understanding of its corporate activities. We have positioned coexistence with the local community as one of our material issues in the Medium-Term Management Plan 2023.

In the Medium-Term Management Plan 2026, we have positioned maintaining and improving the soundness and flexibility of management foundation as one of our materiality. We set contribution to local communities as an indicator, and accelerate initiatives.
